## A Special Time for You and Your Toddler

Creative Parenting is an interactive class that you and your toddler participate in together. Through crafts, exercise, fingerplays, songs, story and snack time, your toddler will achieve the social and academic skills needed in preparation for pre-school and kindergarten. During the eight-week session, your child will interact with his or her peers, you will spend quality time together, and you will meet other parents and learn some new ideas. Creative Parenting is for children between the ages of 16 months and three years.

Tuition for the eight-week session is **\$150** (one-hour class). Three-year old classes are held Thursdays & Fridays at 10:30 and costs **\$180** (1½ hours). Tuition is non-refundable and due upon registration. Return this form with your check made payable to *Creative Parenting*.

Classes are offered Monday through Friday. Choose the day you want and then look across the chart and circle which location/time you prefer. Please note: Classes for three year olds are held **ONLY** in Newtown on Thursday and Friday (see below for times).
